Proclamation.

To the Qualified Electors of the State of Uhia; WHEREAS, it is provided, by the lat section of the Act entitled.

an Act to provide for the election of Electors of President and Vice President Electors of President and Vice President of the United States, shall, by Proclama. ion, to be inserted in one of the News papers printed in each county in this State, where any such paper is printed, election, and the number of Electors of Coiving taxes on the following days, to wit:

President and Vice President there : be In No 9 Lewis on the 2nd of Sept. next. chosen." Toerefore, in pursuance of the

provisions of the sforementioned Act, I, THOM AS W. BARTLEY, Governor of the State of Ohio, do hereby no tify and require the qualified Electors of this State, to assemble in their respective Townships, at the usual places d signated for holding elections, on the first Friday, being the first day of November next, and then and there proceed to elect twenty three Electors of President and Vice President of the United States. in pursuance of the Constitution and laws. of the United States and of this State, IN TESTIMONY WHERE P, I THOMAS W.

BARTLEY, Governor of the State [L. s.] of Ohio, have hereunto subscribed my name, and caused the GREAT SEAL of the State to be affixed, at Columbus, this nineteenth day of August, in the year of Our Lord, one thousand eight hundred and forty four, and in the ixiy-ninth year of the Independence of

the United States of America. THOMAS W. BARTLEY. By the Governor: SAMUEL GALLOWAY.

New Map of Ohio.

Secretary of State.

The subscribers propose publishing a new edion of heir map of the State of Ohio. by Mr. Samuel Morrison, whose skill as a draughtsman, experience and known accuracy are fully attested, not only by the present Surveyor General, but confirmed by the present Sur-hereunto attached, of Robert T. Lytle, Esq. the predecessor of Mr. Haines; and will about the southern and southware. prodecessor of Mr. Hames: and will exhibit the sections, fractional Sections, Virginia Military Surveys, principal roads, Public works and contemplated public Improvements, together with the Lukes, Rivers, Indian Reservation, countie Towns, cities and vilages, which will be laid down with the greatest possible accuracy.

There is no doubt that this map will contain the most ninute and authentic information of any state map ever published. One of the proprietors has visited every county in the State, for the purpose of gathering every information requisite, to insure correctness. This fact of itself will necessarily give assurance to those who may that for call utility in must the most ninute and authentic information of patronize the map, that for real utility, it must supersede any map got up East, for the purpose supersede any map got up East, for the purpose of state, but without the advantage of the personal inspection and labor that has been bestowed exclusively on this.

The size of the map will be between 4 and 6 feet square, neatly colored in punties, mounter

and varnished; and sold to subscribers at the low price of six dollars. Agents or companies taking tencopies, will be allowed a deduction of orty per c ent.
